Cape Cod Foundation Grant Funds Spay/Neuter Surgeries *ARL's Spay Waggin' Makes Special Stops in Falmouth*

The Animal Rescue League of Boston (ARL) would like to thank The Cape Cod Foundation for its generous \$5,000 grant that made it possible for more than two dozen Cape Cod residents to have their pet spayed or neutered free of charge.

ARL reached out to a number of Cape-based human service support organizations to refer clients with pets in need of spay/neuter. Clients then brought their animals to the parking lot outside Petco along Davis Straits Road, where ARL's Spay Waggin' was parked.

The Spay Waggin' is a state-of-the-art mobile surgical unit, and clients were able to drop their pets off in the morning and pick them up in the afternoon following the surgical procedure.

Since 2000, more than 60,000 animals have been spayed/neutered aboard ARL's Spay Waggin', for clients throughout the South Coast, South Shore, and Cape Cod and the Islands.
