## **Station Ave. Elementary Collects Donations for ARL**

This past week, the Animal Rescue League of Boston's (ARL) Brewster Animal Care and Adoption was pleased to receive a plethora of donations from students at Station Ave. Elementary in Yarmouth.

The donation drive was organized by recently retired teacher Patricia "Pat" MacArthur, who has spearheaded similar drives for many years.

Collecting donations for a nonprofit organization instills the spirit of giving for kindergarteners and first graders, and ARL is extremely grateful for the donations of pet food that filled an entire van! The food will be used for ARL's shelter animals in Brewster, and ARL looks forward to partnering with Station Ave. Elementary for years to come.
