About Us

Impact

These are some of the incredible outcomes made possible for the Cape community in the past 5 years:

Placed **2,472** animals into loving homes

Transported **606** animals to our Brewster Animal Care and Adoption Center from shelters facing pet overpopulation

The Spay Waggin' visited Falmouth **40** times to provide low cost spay/neuter surgery

Why Sponsor

The last three years have presented unprecedented challenges, but the Animal Rescue League of Boston (ARL) remains committed to helping animals and the people who care about them.

As we continue to face uncertainty, one thing has not changed: animals are still in need. An ever-increasing need for community programs and inflation continue to make our work difficult, **and your help is needed now to meet the needs of the most vulnerable animals on Cape Cod.**

Sponsorship support helps cover the cost of the event and ensures the funds raised provide veterinary care, adoption, rescue, advocacy, and humane law enforcement investigation for animals when they need it most.

ARL is an independent non-profit 501(c)3 organization. We receive no government grants or public funding and we must rely solely on the generosity of individuals, community partners, and sponsors like you to keep animals safe and healthy.

Attendees include members of the local community who represent business, philanthropic, and community leaders who care deeply for animals. We expect between 60 -70 guests to attend these in-person events and will be offering a live-stream for the Truro event.
