ARL Spay Waggin' Visits Martha's Vineyard

ARL Spay Waggin' provides spay/neuter surgeries, rabies vaccinations

This past week the Animal Rescue League of Boston's (ARL) Spay Waggin' traveled to Martha's Vineyard to provide a number of much-needed services for pet owners within the island community.

During the day-long trip, ARL spayed or neutered nearly two dozen pets, and also participated in a rabies vaccination clinic in collaboration with Tisbury Animal Control that was able to vaccinate 23 animals.

This is ARL's first trip to Martha's Vineyard in several years, and given the need on the island, ARL does plan on making further trips to provide a low-cost spay/neuter option for pet owners.

"Being an island community, pet services are limited and ARL is committed to assisting more pet owners in the coming years by partnering with agencies on the island to bring services directly where they're needed," stated Dr. Erin Doyle, ARL's Senior Vice President of Animal Welfare and Veterinary Services.

ARL's Spay Waggin' has performed more than 75,000 spay/neuter surgeries since the program launched in 2000, and offers low-cost, high-quality spay/neuter services for Boston, the South Shore, South Coast and Cape Cod with rotating monthly stops.

The Spay Waggin' operates by appointment-only, and for anyone looking to book an appointment can visit arlboston.org for more information.

ABOUT THE ANIMAL RESCUE LEAGUE OF BOSTON:

The Animal Rescue League of Boston (ARL) is an unwavering champion for animals in need, committed to keeping them safe and healthy in habitats and homes. Founded in 1899, ARL provides high-quality veterinary care, adoption, and rescue services; while also confronting the root causes of animal cruelty and neglect through innovative community programs, police investigations, and public advocacy. In 2023, ARL served 20,964 animals throughout Massachusetts. ARL is a non-profit 501(c)3 organization. The Animal Rescue League of Boston does not receive government grants or public funding and relies on the generosity of our supporters to help animals in need.
